

ZI-CRM40V-AKKU

comfort lawn mower

- Comfortable working, no restriction due to annoying cables, but 40V power.
- optimal handling thanks to a well-designed motor / battery positioning
- uncomplicated working thanks to a high-performance lithium-ion battery without memory effect - always ready at the push of a button.
- The mower combines the best of two worlds: the independence of a gasoline mower with the handiness and operational readiness of a battery powered one.
- **Delivered without battery!**
